

ICMAT

ICMAT-POSTDOC-2018

The Instituto de Ciencias Matemáticas (ICMAT-Institute of Mathematical Sciences) offers three postdoctoral appointments for researchers in Mathematics with an excellent curriculum who wish to pursue their research career at the ICMAT.

The duration of the contract will be 1 year, starting January 1, 2019. Preselected applicants could be interviewed individually in due course.

Applicants should complete an on-line form including the following documents:

- Motivation letter.
- Short curriculum vitae.
- Full curriculum vitae.
- Research statement.
- Two letters of recommendation which should be sent directly by the referees.
