

Primitive School on the Mapping Class Group

A Bridson-Reid Lab Activity

Members of the Bridson-Reid laboratory are organizing a series of **introductory lectures** on the Mapping Class Group this March, in preparation for the **ADVANCED SCHOOL ON THE MAPPING CLASS GROUP** in May. The talks are going to be in **ICMAT, Wednesdays and Fridays, 10:00 to 12:00**, from **March 12 to 28**.

Schedule of talks:

- **Curves and the Alexander Method.** Henrique Souza, March 12 and 14.
- **Generators for the Mapping Class Group.** Sergio Domingo, March 19 and 21.
- **Survey of key results.** Rodrigo de Pool, March 26 and 28.
